Dear John:

I really hate to bother you again, but I still must have information concerning the above named individual. I am enclosing another Ineligible Volunteer Record Sheet, which I would like to have completed, so we can identify John Hunter. Please complete this to the best of your ability.

I would also like to have any other information which you have related to the previous offense. We must have something for our files in order to substantiate our refusal of registration in the future. This is very serious and could lead to problems for the Boy Scouts of America if we do not have a complete file.

Thanks for your help in this matter.

Sincerely,

Paul Ernst, Director
Registration Service

Dear John:

We received information last summer related to the above named individual and, also, wrote to you on December 4, concerning this matter. We do not seem to have any response which would give us information necessary for maintaining a file.

I am enclosing another Ineligible Volunteer Record Sheet which I would like to have completed so we can identify John Hunter.

We would, also, like to have any other information which you have related to the investigation. At this time, we feel very certain that John Hunter should be placed on our file and registration refused should he attempt it in the future.

Please help us complete this file.

Sincerely,

Paul Ernst, Director
Registration Service

SUBJECT: JOHN K. HUNTER, II

Dear John:

We received information from the East Central Region, that the above named individual had fondled a twelve year old boy at summer camp. It was indicated at that time, that more information would come to us, but so far, we have had no additional information.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed with as much information as you have available. This is most important, so we can identify Mr. Hunter anywhere he might move and attempt registration in the future.

We would also like to have the outcome of any action which has been taken. If any charges have been placed against this individual, we need to know this, and have any newspaper clippings, court records, or other material which will give us the outcome of that action.

We would like to complete this file as soon as possible, so would appreciate your assistance in this matter.

Sincerely,

Paul Ernst, Director
Registration Service

CONF016234

Summary of incident reported to [REDACTED] on July 26, 1989 by [REDACTED], Camp Director, Northeast Illinois Council's camp located in Wisconsin (telephone: [REDACTED]).

John K. Hunter, II, a 16-year-old camp staff member, fondled a 12-year-old boy in camp. The 12-year-old reported that a second boy had also been molested the previous week but he had already returned home. John Cadwallader, Scout Executive and the Scoutmaster of the boys' troop are at the Jamboree and could not assist.

Steps taken.

Pete Barbernitz informed the registration service.

In the absence of Paul Ernst, Claire Miller (extension 2517) handled contacts.

John Hoenes, staff member, Northeast Illinois Council, arranged contact with the parents of boys.

Parents do not wish to pursue or press charges.

Action.

The Hunter youth had a previous offense with a nephew 2 years prior to this incident and has had psychiatric counseling. His parents have arranged for an immediate counseling appointment.

A full report is being prepared and will be sent to Registration Service so that he may be placed on the confidential file. Paul Ernst concurs that he should be.

Ken Miller will report to the Children's Service Bureau in Wisconsin to cover legal requirements per the advice of Dave Parks, National Attorney.

The parents of the first youth declined counseling for their son when it was suggested by John Hoenes.

The Scouts are members of Troop 13 sponsored by Kenilworth Group of Citizens. the boys' names are:

[REDACTED]

[REDACTED] father is an attorney for an insurance company. I verified with [REDACTED] that the incident should be reported in the county in Wisconsin where it happened. This is what the council did and that agency is investigating.
